

CLEVER KIDS LEARNING HUB

CLEVER CLOGS PRE-SCHOOL

"Discover the love for learning"

PROSPECTUS
2019

WELCOME TO CLEVER CLOGS PRE-SCHOOL

We hope that learning and discovering will take on a whole new meaning when you join our family.

Clever Kids Learning Hub's Vision

Our vision is to provide play-based learning in an enriched and stimulating environment that caters for the individuality and uniqueness of each child.

What does this all mean?

Our learning hub believes that when we play we are happy and when we are happy we learn. During our time working internationally we gained a better understanding of how children learn best. We have realised the absolute necessity of using an approach that emphasises play, creativity and child-led discovery. Each child comes with their own sense of wonder and it is our job to encourage and ignite it.

The Reggio Emilia approach is based upon the following principles:

Children have the opportunity to have some control over the direction of their learning.

Children have the opportunity to learn through sensory experiences of listening, touching, moving and observing.

Children learn through relationships with other children and the adults in their world.

How does this all work?

Clever Clogs Pre-school's philosophy is consciously changing the traditional way of education in early childhood. We use the triangular approach by involving the parents, the teacher and the child in the learning process. We encourage each parent to be actively involved in their children's ideas and interests so that there is a collective atmosphere of community building between the school and home.

Putting it into practice.

Clever Clogs will be split into two different age groups. Our Nursery class will be ages 3 years to 4 years and our Grade R class will be ages 5 years to 6 years. There will be a teacher and an assistant in each class to facilitate each child's discovering and learning. The Nursery class is entirely play based and the Grade R class will lay the foundation perfectly for our Grade 1 at CKLH. The art studio ("The Atelier") is a fundamental part of a Reggio Emilia approached school. This will be available to all the children, providing the opportunity for interaction between all ages.

CLEVER CLOGS PRE-SCHOOL FEE STRUCTURE

Our Admission's process is twofold; it includes an interview with you as the child's parents as well as a three day visit to Clever Clogs. This is to ensure that the environment will fit your child's emotional and social needs. We request that all reports from therapists, psychologists and psychiatrists be submitted before a place can be offered.

Clever Clogs Fee Structure 2019

| OPTIONS AVAILABLE | MONTHLY COST for 11 months | PER YEAR |
|---|-----------------------------------|-----------------|
| NURSERY 07:30 - 12:00 | R3 100.00 | R34 000.00 |
